The screenshot shows a user's dashboard for The Fostering Network. On the left is a navigation menu with 'My Dashboard' as the main heading and sub-items: 'Dashboard', 'Benefits', 'My Household', 'Account', and 'Events'. The 'Benefits' tab is selected. At the top right, a banner reads 'Get the most from your membership!' with a megaphone icon and text: 'Fully utilise your Fostering Network membership benefits and make an impact today.' Below this are three buttons: 'Help and support', 'Discounts', and 'Foster care magazine' (which is highlighted). The main content area displays the 'Foster Care Magazine - Winter 2025' with page 1 of 24. The magazine cover features a woman's face and headlines: 'Foster carer retention: what's driving the decline', 'Bring it all from our State of the Nations' foster care survey', and 'Creating a safe haven'. A gear icon is in the bottom right corner.

My Household

On the My Household tab, you will see all foster carers registered in your household membership. You can request to add an additional foster carer to your household by clicking on the 'Add a member' button to the right. The membership team will then verify that the foster carer is registered and approved before accepting your change request and it being visible in your dashboard. This could take up to 10 working days to process, depending on how quick we can verify their approval status.

If you would like to remove someone from your household, please contact the membership team at membership@fostering.net. If your membership is **paid for by your fostering agency**, please make sure that you inform them of any removals or additions to your household also.

Account

On the Account tab, you will see your personal details including your name, email address, the type of membership you hold with The Fostering Network, your membership number and will be able to set your communication preferences and areas of interests.

From here you will also be able to request changes to your personal details and you will be able to request to cancel your membership if you are a self-subscribed foster carer or retired foster carer member. Household members who are paid for by their fostering service are able to cancel their membership through their fostering service.
